

COOL ROOF TILES

Cool roof tiles are designed to reflect more sunlight and absorb less heat compared to traditional roofing materials. By reducing heat absorption, these tiles contribute to energy efficiency, keeping buildings cooler and potentially lowering cooling costs.

Name	Pink
Price	29.99
Material	Ceramic, Cool
Size	600x600mm
Color	Pink

Name	White
Price	34.99
Material	Ceramic, Cool
Size	600x600mm
